

CURRICULUM VITAE

Lewis Edward Kay

Department of Molecular Genetics,
Department of Biochemistry
Department of Chemistry
University of Toronto
Medical Sciences Building
1 King's College Circle
Toronto, Ontario, Canada, M5S 1A8

Academic Degrees

- 1988 PhD in Molecular Biophysics, Yale University, New Haven, Connecticut, USA.
Supervisor: Dr. J.H. Prestegard; Thesis: "NMR Methods for Studying Motional and Structural Properties of Molecules in Solution"
- 1983 BSc in Biochemistry (first class honours), University of Alberta, Edmonton, Alberta, Canada

Employment

- 1995 - Professor of Molecular Genetics (previously Medical Genetics), Biochemistry and Chemistry, University of Toronto, Toronto, Ontario, Canada
Phone: 416-978-0741, Fax: 416-978-8548, E-mail: kay@pound.med.utoronto.ca
- 1992 - 1995 Assistant Professor of Molecular Genetics (previously Medical Genetics), Biochemistry and Chemistry, University of Toronto, Toronto, Ontario, Canada
- 1988 - 1991 Alberta Heritage and Medical Research Council of Canada Post-Doctoral Fellow, Laboratory of Dr. Adrian Bax, Laboratory of Chemical Physics, National Institutes of Health, Bethesda, Maryland, USA

Endowed Lectures

- Birss Lecturer, Department of Chemistry, University of Alberta, Edmonton, October 1999.
- NIH Director's Wednesday Afternoon Lecture Series, May, 2006.
- Wilbur Cross Medal Lecture, Yale University, Oct, 2006.
- The Gitte Vold Memorial Lecture, University of California, San Diego, March 2007.
- Proctor and Gamble Lecture, Department of Chemistry, UMass Amherst, October 2007

Hartek Lecturer, Department of Chemistry, RPI, October 2007

McDowell Lecture, Department of Chemistry, UBC, October 2009.

Colter Lecture, Department of Biochemistry, University of Alberta, Fall 2011.

Aline U. and James M. Orten Memorial Lecturer, Department of Biochemistry and Molecular Biology, Wayne State University, April 2012.

Sackler Lecturer, Tel Aviv University, 2013-2014.

Sir Rex Richards Lecture, Dept of Chemistry, Oxford, April 2016.

National Lecturer, Biophysical Society of Canada, Winnipeg, Manitoba, June, 2016.

2016 Distinguished Lecturer, Scripps Research Institute, La Jolla, CA, Sept. 2016.

Peng Memorial Lecture, Biophysics, University of Connecticut Health Center, Oct. 2016.

Robert Olson Lecture, Washington University & University of St. Louis, Dec, 2017.

2018 Lemieux Lecture, Dept. of Chemistry, University of Ottawa, May 2018.

Krimm Lecture, Dept. of Biophysics, University of Michigan, April 2019.

John T. Edsall Lecture, Molecular and Cellular Biology, Harvard University, May 2019.

2019 Garner King Lecture, Faculty of Medicine, University of Alberta, June 2019.

Maude Menten Lecture, Western University, October 2019. (Postponed)

Silvestri Lecture, Villanova, December 2020.

Nordin Lecture, UMass Amherst, May 2023.

Honors and Awards

2020 Elected International Member of the National Academy of Sciences, USA

2019 Honorary Doctorate of Science, University of British Columbia

2018 Nakanishi Prize, American Chemical Society

2018 Gerhard Herzberg Canada Gold Medal for Science and Engineering

2017 Protein Society Christian B Anfinsen Award

2017 Canada Gairdner Foundation International Award

2017 Fellow of the Biophysical Society Award

2016 Appointed Officer of the Order of Canada

2016 Fellow of the Biophysical Society of Canada

2013 E. W. R. Steacie Award, Canadian Society for Chemistry

2012 University Professor, University of Toronto

2012 Khorana Prize, Royal Society of Chemistry, UK

2010 Election to the Royal Society of London

2009 Distinguished Alumni Award, University of Alberta

2008 Premier's Discovery Award, Province of Ontario

2008 Elected as one of the initial fellows of the International Society of Magnetic Resonance

2007 Dales Prize, Faculty of Medicine, University of Toronto

2006 Election to the Royal Society of Canada

2006 Wilbur Cross Medal of the Yale University Graduate School.

2005 Listed in ISI's database of Highly Cited Researchers in Chemistry

2004 Gunther Laukien Prize, Experimental NMR Conference.

2002 Founders Medal from the International Society of Magnetic Resonance in Biological Systems

2002 Flavelle Medal from the Royal Society of Canada

2000 Canada Research Chair, Tier 1

1999 Premier's Research Excellence Award, Province of Ontario

1999 Steacie Prize from the National Research Council of Canada

1999 Medical Research Council of Canada Scientist Award (1999-2000)

1998 University of Toronto McLean Award

1998 Canada's Top 40 Under 40 Award

- 1997 International Research Scholar of the Howard Hughes Medical Institute (1997-2002)
- 1996 Merck Frosst Award
- 1995 Alfred P. Sloan Research Fellow (1995-1997)
- 1994 - 1999 MRC (Medical Research Council of Canada) Scholarship

SERVICE

Associate Editor Journal of Magnetic Resonance; Associate Editor of Journal of Biomolecular NMR

RESEARCH TRAINING

1) Ouwan Zhang, Graduate Student (PhD) in Chemistry with Dr. Julie Forman-Kay, June 1992 - April 1997.

2) Neil Farrow, Post-Doctoral Associate, September 1992 - July 1997.

- 3) Steven Pascal, Post-Doctoral Associate, March 1993 - July 1996.
- 4) Toshio Yamazaki, Post-Doctoral Associate, April 1993 - April 1995.
- 5) Yves Aubin, Post-Doctoral Associate, September 1993 - October 1995.
- 6) Mike Rosen, Post-Doctoral Associate, October 1993 - January 1996.
- 7) Ping Xu, Post-Doctoral Associate, January 1994 - September 1994.
- 8) Li-Lin Tay, Graduate Student (MSc) in Chemistry with Dr. Bill Reynolds. September 1994 - November 1996.
- 9) N. Rao, Post-Doctoral Associate, April 1995 - October 1996.
- 10) D. Yang, Post-Doctoral Associate, May 1995 – May 2001.
- 11) Kevin Gardner, Post-Doctoral Associate, August 1995 - July 1998.
- 12) Pascale Legault, Post-Doctoral Associate, September 1995 - July 1998.
- 13) Sebastian Vincent, Post-Doctoral Associate, May 1996 - September 1997.
- 14) Catherine Zwahlen, Post-Doctoral Associate, May 1996 - December 1998.
- 15) Joel Tolman, Post-Doctoral Associate, December 1997 - September 1999.
- 16) Logan Donaldson, Post-Doctoral Associate, July 1998 - September 2000.
- 17) Geoff Mueller, Post-Doctoral Associate, September 1998 – May 2001.
- 18) James Choy, Post-Doctoral Associate, October 1998 – Nov 2005.
- 19) Nikolai Skrynnikov, Post-Doctoral Associate, January 1998 – Sept. 2002.
- 20) Frans Mulder, Post-Doctoral Associate, February 1998 – July 2001.
- 21) Johan Evenas, Post-Doctoral Associate, July 1999 – February 2001.
- 22) Tony Mittermaier, Graduate Student, September 1997 – Jan 2004.
- 23) Natalie Goto, Graduate Student, September 1997 - February 2001.
- 24) Peter Hwang, Graduate Student, September 1999 – Nov 2005.

- 25) Jason Ollerenshaw, Graduate Student, September 2000 – Sept 2005.
- 26) Vitali Tugarinov, Post-Doctoral Associate, December 2000 – July 2007.
- 27) Oscar Millet, Post-Doctoral Associate, September 2000 – April 2004.
- 28) Dimitry Korzhnev, Post-Doctoral Associate, September 2001-Sept 2010.
- 29) Irina Bezsonova, Graduate Student, September 2001-Sept. 2008
- 30) Karen Kloibler, Post-Doctoral Associate, September 2001-Jan 2004.
- 31) Pramodh Vallurupalli, Post-Doctoral Associate, Oct 2002-June 2009.
- 32) Remco Sprangers, Post-Doctoral Associate, April 2003-March 2008.
- 33) Algirdas Velyvis, Post-Doctoral Associate, April 2003-2009.
- 34) Philipp Neudecker, Post-Doctoral Associate, April 2004-Oct. 2010.
- 35) Jason Malthrop, Graduate Student, Sept. 2004-February 2008.
- 36) Flemming Hansen, Post-Doctoral Associate, Sept 2005-Sept 2010.
- 37) Patrik Lundstrum, Post-Doctoral Associate, Oct 2005-February 2009.
- 38) Eugene V. Tischenko, Post-Doctoral Associate, Oct 2005-August 2009.
- 39) Tomasz Religa, Post-Doctoral Associate, August 2008-October 2011.
- 40) Andy Baldwin, Post-Doctoral Associate, May 2008-July 2012.
- 41) Amy Ruschak, Post-Doctoral Associate, June 2008-April 2012.
- 42) Michael Latham, Post-Doctoral Associate, July 2008-Nov 2014.
- 43) Hugo van Ingen, Post-Doctoral Associate, August 2008-Dec 2010.
- 44) Guillaume Bouvignies, Post-Doctoral Associate, August 2008-November 2013.
- 45) Julia Barette, Graduate Student, January 2009, August 2011.
- 46) Alex Hansen, Post-doctoral Fellow, January 2009-February 2014.
- 47) Rina Rosenzweig, Post-Doctoral Associate, September 2010-June 2016.

- 48) Lichi Shi, Post-Doctoral Associate, Jan 2011-Sept 2014.
- 49) Julianne Kitevski, Post-Doctoral Associate, July 2013-June 2017.
- 50) Ashok Sekhar, Post-Doctoral Associate, July 2011-August 2017.
- 51) Rafal Augustyniak, Post-Doctoral Associate, May 2012-June 2018.
- 52) Dong Long, Post-Doctoral Associate, Oct 2012-May 2015.
- 53) Anne Schuetz, Post-Doctoral Associate, August 2013-May 2017.
- 54) Enrico Rennella, Post-Doctoral Associate, June 2014-Present.
- 55) Rui Hwang, Post-Doctoral Associate, Sept 2014-May 2020.
- 56) Rob Culik, Post-Doctoral Associate, Sept 2014-August 2017.
- 57) Siavash Vahidi, Post-Doctoral Associate, Sept 2015-May 2020.
- 58) Zev Ripstein, Graduate Student, Sept 2015-Oct 2020
- 59) Tairan Yuwen, Post-Doctoral Associate, Nov 2015-Nov 2019
- 60) Jacob Brady, Post-Doctoral Associate, Nov 2015-Nov 2019.
- 61) Gili Abramov, Post-Doctoral Associate, Jan 2018-Present.
- 62) Rob Harkness, Post-Doctoral Associate, July 2018-Present.
- 63) Alex Conicella, Post-Doctoral Associate, July 2018-Feb 2021.
- 64) Leo Wong, Post-Doctoral Associate, November 2018-July 2020.
- 65) T. Reid Alderson, Post-Doctoral Associate, February 2019-Present.
- 66) Yuki Toyama, Post-Doctoral Associate, April 2019-Present.
- 67) Zev Ripstein, Post-Doctoral Associate, Oct 2020-Aug 2021.
- 68) Alex Sever, Graduate Student, Sept 2020-Present.
- 69) Rashik Ahmed, Post-Doctoral Associate, Nov. 1, 2021-Present.
- 70) Atul Kaushik Rangadurai, Post-Doctoral Associate, Nov. 1, 2021-Present

71) Nicolas BolikCoulon, Post-Doctoral Associate, Dec. 1, 2021-Present.

72) Jeff Paul Bonin, Post-Doctoral Associate, July 1, 2022-Present.

73) Philipp Roessler, Post-Doctoral Associate, Jan 1, 2023-Present

Current statistics show that only about 10% of trainees go on to independent research careers – yet 39 of 56 trainees who have left the Kay laboratory are on faculty at major research intensive universities, an additional 5 are scientists in government laboratories and 6 are in industry. My trainees are now professors at University of Toronto, Université de Montréal, McGill University, University of Ottawa, York University, Guelph University, University of Manitoba, and other academic centers, group leaders at Health Canada and industrial sites. Other trainees have established careers at universities throughout the U.S., Europe, Israel and Asia at sites as diverse as Singapore, Dallas, New York, London and Hyderabad. Included in this list are a very significant number of women.

Listed below are former trainees that are now on faculty across the world: Steven Pascal, Professor, Massey University, New Zealand; Toshio Yamazaki, Professor, Osaka University, Japan; Mike Rosen, Professor, Southwestern Medical Center and Howard Hughes Investigator, USA; Daiwen Yang, Professor, National University of Singapore, Singapore; Kevin Gardner, Professor, Southwestern Medical Center, USA. Pascale Legault, Professor, University of Montreal, Canada; Joel Tolman, Professor, Johns Hopkins University, USA; Logan Donaldson, Professor, York University, Canada; James Choy, Professor, University of Western Ontario, Canada; Nikolai Skrynnikov, Professor, Purdue University, USA; Frans Mulder, Professor, University of Groningen, Netherlands; Tony Mittermaier, Professor, McGill University, Canada; Natalie Goto, Professor, University of Ottawa, Canada; Oscar Millet, Professor, University of Bilbao, Spain; Voula Kanelis, Professor, University of Toronto, Canada; Remco Sprangers, Group Leader, Max Planck, Tuebingen, Germany; Patrik Lundstrum, Professor, Linköping University, Sweden; Vitali Turgarinov, Professor, University of Maryland, USA; Flemming Hansen, Professor, Imperial College, London, UK; Dmitry Korzhnev, Professor, University of Connecticut. Tomasz Religa, Professor, Case Western Reserve, Cleveland, USA; Amy Ruschak, Professor, Case Western Reserve, Cleveland, USA. Philipp Neudecker, Professor. Julich Institutes. Pramodh Vallurupalli, Professor, Hyderabad, India. Andy Baldwin, Professor Oxford. Alex Hansen, Research Professor Ohio State. Guillaume Bouvignies, CNRS Grenoble France. Irina Bezsonova, Professor, University of Connecticut. Don Long, Professor, University of Science and Technology, China. Michael Latham, Professor, Texas Tech University. Peter Hwang, Professor, University of Alberta. Rina Rosenzweig, Professor Weizmann Institute, Israel. Several trainees have pursued industry related careers: Yves Aubin, Merck Frosst, Canada; Neil Farrow, Berringer-Manheim, USA; Sebastian Vincent, Nestle, Switzerland; Johan Evenas, Astra Zeneca, Sweden as well as independent positions in government laboratories: Ping Xu, NRC, Canada; Geoff Mueller, National Cancer Institute, North Carolina, USA. Eugene Tishchenko, JEOL, USA. Rafal Augustyniak, Warsaw University, Poland. Anne Schuetz, University of Munich, Germany. Ashok Sekhar, Indian Institute of Science, Bengaluru, India. Rafael Augustyniak, Assistant Professor, University of Warsaw, Tairan Yuwen, Assistant Professor, Peking University, Rui Hwang, University of Guelph, Siavash Vahidi, University of Guelph. Leo Wong, Shenzhen Institute of Advanced Technology (SIAT) in Shenzhen, China. Zev Ripstein, University of Manitoba. Reid Alderson, University of Graz.
